

Speak Up For LGBT+ Inclusion

Video Discussion Guide

About

We invited people from all walks of life to have a frank and honest conversation about inclusion. They talked about what we could all do as individuals and leaders to create safe, productive and inclusive workplaces and societies. This video and guide focus on the LGBT+ community and how we can all accelerate inclusion.

Insights

- Many misperceptions are still prevalent when navigating topics of gender, gender identity, sexual orientation and more that impact the LGBT+ community.
- When we acknowledge and address our conscious and unconscious biases, we open the door to real conversations.
- Before we can speak up for inclusion, we need to speak about inclusion.
